MOTETS

A I. II. III. IV. ET V.

PARTIES,

AVEC SYMPHONIES

ET BASSE-CONTINUE.

Par Monsieur LORENZANI, *Maistre de Musique de la feuë Reyne.*

BASSE-CONTINUE.

10 Ex Libris Ste Genovefe paris. 1753

A PARIS,

Chez CHRISTOPHE BALLARD, seul Imprimeur du Roy pour la Musique, ruë Saint Jean de Beauvais, au Mont-Parnasse.

M. DC. LXXXXIII.

AVEC PRIVILEGE DU ROY.

AU ROY.

SIRE,

L'uſage de loüer Dieu par les Chants eſt auſſi ancien que le monde, & quelque haut que l'on puiſſe remonter dans l'Hiſtoire des temps, on n'en trouve point l'origine : Le plus ſaint des Roys en faiſoit une de ſes plus ſerieuſes occupations, & compoſoit chaque jour des Cantiques de la meſme main dont il deſſinoit le plus magnifique des Temples. VOSTRE MAJESTÉ *qui ſurpaſſe aujourd'huy tous les autres Souverains, & qui n'eſt pas moins recommendable par ſa pieté, que par ſes grandes actions, & par ſa puiſſance, n'a pas negligé ce ſaint exercice, & jamais Dieu ne fut loüé dans les Egliſes des Chreſtiens avec tant de dignité & d'harmonie que ſous ſon Regne glorieux. Tout ce que nous voyons de gens diſtinguez*

dans la composition de la Musique d'Eglise sont obligez d'avoüer qu'ils luy sont redevables de ce succés, & de reconnoître qu'ils ont esté excitez par son zele, conduits par son bon goût, & soûtenus par ses biens-faits. Permettez, SIRE, que prevenu de toutes ces differentes obligations, je mette aux pieds de V. M. le petit tribut que je luy offre d'une partie de mes Motets, sur lesquels, je la conjure de vouloir jetter quelques-uns de ces regards favorables, qui seuls suffisent pour faire la recompense de la vertu. J'ay toûjours compté parmi les plus grands malheurs de ma vie, celuy de n'estre point né sujet de V. M. Mais si quelque chose m'en a consolé, ça esté de m'en sentir le zele, l'attachement, & la tendresse; Pardonnez, SIRE, la liberté de cette expression au genie affectueux de mon Pays, & souffrez qu'un Italien se laisse aller à ce que sa Langue naturelle luy inspire de plus propre pour exprimer les mouvemens de son cœur. Ma destinée est trop heureuse, si je la puis finir au service de V. M. Et que me pouvoient offrir tous les autres Princes de l'Europe, qui peût me dédommager de ce que j'aurois quitté dans vostre Cour? En quel autre lieu du monde aurois-je pû trouver un Maistre, plus puissant pour faire du bien, plus porté par son inclination à répandre des graces, & plus éclairé pour discerner ceux qui les meritent? Quelle que puisse estre ma fortune, elle me sera toûjours chere tant qu'elle dépandra de V. M. & je croiray avoir vécu heureux, quand je seray parvenu à mourir,

SIRE,

DE VOSTRE MAJESTE',

Le tres-humble & tres-obeïssant
serviteur, LORENZANI.
